A musical sharing on the life of

**Hudson
TAYLOR**

Join us for a story of God's work in China, presented in a blend of
narration, hymns and instrumental accompaniment.

5th & 17th November 2010

Dear brothers and sisters in the Lord,

You are all warmly invited to attend our musical presentation *To China With Love*. Looking forward to seeing you there!

What is To China with Love?

To China with Love is a musical sharing of the life and work of Hudson Taylor. A missionary to China in the 19th century, he was greatly used and blessed by God in bringing the gospel to the people of China. Based on his autobiography of the same name, *To China With Love* is a blend of narration, hymns and instrumental music.

Why Are We Doing this?

This concert has been organized in support of a humanitarian cum mission trip. From 28 Nov to 5 Dec 2010, a team (spearheaded by EBENEZER Church) will be travelling to Kunming, China. Under Project Habitat 2010, they aim to enhance living conditions of villagers in the Gao Qiao region by helping with the construction of houses. The gospel will be shared.

For building materials and salaries of local workers, the team is required to raise S\$6,000. We look to our sovereign Lord to provide through the free-will offering of believers coming to the presentation. Please pray with us. More importantly, it is our desire that, through this event, God will be pleased to stir up the hearts of His people towards fulfilling His Great Commission (Matt 28:18-20). We acknowledge His hand in bringing together people & resources. We pray that all will be to the praise of His glory!

Who Is Involved?

The team of Singers and Instrumentalists involved in this presentation comes from various reformed churches in Singapore. Many other brothers and sisters have also supported this presentation with their time, service, prayer and contribution in various ways. This collective effort reminds us that evangelistic and missionary work require the support of everyone in our local churches.
